SUMMARY

Second-year Electronics & Communication Engineering student at Arya College of Engineering & IT, Jaipur, with a focus on full-stack web development. Completed a 3-month AI/vibe-coding internship and built multiple personal projects spanning frontend, backend, and applied AI tooling. Strong foundation in DSA and actively building production-style projects to develop as a full-stack developer.

SKILLS

Languages: Python, JavaScript, C, C++
Web Development: HTML, CSS, React.js, Node.js, Express.js, MongoDB (MERN Stack)
Core CS: Data Structures & Algorithms, OOP, DBMS basics
AI Tools: Claude AI, Cursor, AI-assisted ('vibe') coding workflows
Tools & Platforms: Git, GitHub, VS Code, Postman

EXPERIENCE

AI – Vibe Coding Intern — Vishvena Techno Solutions Pvt. Ltd. Dec 2025 – Mar 2026
Artificial Intelligence Internship Program Hyderabad, Telangana (Remote)

- Completed a 3-month internship applying AI concepts and AI-assisted ('vibe coding') development practices to real coding tasks
- Used AI tools such as Claude and Cursor to accelerate development workflows, debug code, and prototype features faster
- Consistently delivered assigned tasks on schedule, earning a certificate of completion for strong learning ability and dedication

PROJECTS

Skills Swap 2025

- Built a peer-to-peer platform where students teach each other paid courses from other platforms for free, in exchange for teaching a skill of their own
- Built end-to-end with the MERN stack, including user profiles, skill listings, and a matching system to connect learners with teachers

Portfolio Website 2025

- Built and deployed a personal portfolio website to showcase projects, skills, and resume using HTML, CSS, and JavaScript/React
- Focused on clean, responsive UI and fast load times across desktop and mobile

To-Do App with Local Storage 2025

- Built a task-management app that persists data using browser local storage, with add/edit/delete and completion tracking

CERTIFICATIONS

MERN Full Stack — Unstop 2025

Claude 101 — Anthropic Education Jun 2026

C & C++ Programming Language — Itronix Solutions Sep 2025

Learn to Build a To-Do App with Local Storage — SkillEcted Oct 2025

Navachar – Code Fest 2025 (Participation) — E-Cell MIT Meerut Sep 2025

EDUCATION

B.Tech in Electronics & Communication Engineering 2024 – 2028 (Expected)
Arya College of Engineering & IT Jaipur, Rajasthan
